

# **SIGN & MANAGE CONTRACTS**

**electronically** with InterimSign

**THE TEMPORARY WORK SECTOR  
CHOOSES UNIFIEDPOST  
INTERIMSIGN SOLUTION**

# CHANGE OF BELGIUM LAW

requires the Temporary Work Sector  
to sign contracts electronically only.

## PROS OF INTERIMSIGN

**Documents kept in one platform** (built by UnifiedPost)

**Platform takes away manual work**, time and paper

**Good for the environment**; saving tons of paper

**Fewer mistakes because** of automatization

**More cost effective**; no more sending costs (stamps, envelopes)

**Sign contracts** with a self-chosen code

## PROS FOR TEMPORARY WORKERS

**Easy to sign contracts via** smartphone, tablet and PC

**Personal login to overview** all employment contracts

**Signed contracts are legally covered**; more legal trust

## PROS FOR TEMPORARY WORK AGENCIES

**Less administrative clutter** and future proof

**Easy to sign with simple signing tool**, no need to sign every contract separately

**Complete track & trace of every contract**; more legal trust
